## December

Principal Newsletter  
November, 19th 2025

November was a jammed packed month! From our all school pilgrimage to an ordination we sure accomplished a lot! I have been informed from the superintendent that all charities typically done during the month of December should be dedicated to our new Bishop. Please continue to pray for Bishop O'Donnell and encourage your student to do the same.

Students should be continuing to work their hardest with only a few weeks remaining in 2nd quarter. It always becomes very busy this time of year with Christmas rapidly approaching, but we can not neglect our studies! Keep the books and facts close as we move into the winter!

Our school Veterans day was an outstanding success. Filled with prayerful moments and a touching slide show featuring pictures of our area vets in their days of glory. Students always enjoy giving back in song to those who have given so much to keep us free!
