Principal Newsletter

April, 1st 2026

Time flies when you're learning! It's truly amazing how quickly we transitioned from those first-day nerves to the homestretch of the fourth quarter. We know the students (and maybe the teachers, too!) are longing for the sunshine, but we aren't at the finish line just yet.

To keep our momentum going: Keep Practicing: Math facts and cursive remain daily essentials. AR Goals: Let's reach those new heights in reading before the year ends! Stay Focused: Remind your students that every assignment counts until that final week. Our 8th graders have grown so much this year and each one of them is truly becoming an amazing young adult!

Between upcoming field trips and celebrating our outgoing 8th graders, our schedule is officially "full." Stay tuned to the calendar as we gear up for the fun of Field Day!

Mr. H

Happy Birthday Father Schrader!
